**Experience**     **Morgan Stanley**     **May - August 2013**  
Technology Analyst Intern, QA & Production Management     **Montreal, Canada**

- Successfully developed a web-monitor configuration tool in **Apache Flex**.
- Exceeded expectations by completing development in 7 weeks instead of the 12 week target, then worked on middleware development in **Java**.
- Led large presentations to demonstrate project milestones, drafted user stories, software requirements and test cases.
- Received highest possible evaluation and excellent all-round feedback on technical, communication and professional skills. Youngest intern and only first year student within the 2013 intern class of around 20 interns.

**Education**     **McGill University**     **Expected in May 2015**  
Bachelor of Science in Software Engineering, Mathematics Minor     **GPA: 3.50**

Relevant coursework: Algorithms and Data Structures, Operating Systems, Software Development, Programming Languages, Discrete Structures I & II, Linear Algebra, Probability.

**French International School of Jeddah**     **June 2012**  
French Baccalauréat in Science, Mathematics Specialty     **Jeddah, Saudi Arabia**

Achieved a grade of **17.6/20** (mention Très Bien) with **20/20** in **Advanced Mathematics**.

**Leadership**     **HackMcGill**     **September 2013 - Present**  
Co-Founder and Director

Established a thriving community of software developers and entrepreneurs at McGill University, by helping students attend the largest hackathons of the East Coast, including HackMIT, Y-Hack, HackPrinceton and Bitcamp, and by organizing the largest hackathon in Canada, **McHacks**, as part of Major League Hacking, the official collegiate hackathon league.

**Computer Science Undergraduate Society**     **September 2013 - April 2014**  
Software Engineering Representative

Elected as Software Engineering Representative for the 2013-2014 academic year. Actively helped in organizing events for the community as well as coordinate with other student groups within McGill.

**Solin Hall Residence Council**     **September 2012 - April 2013**  
Sports Representative

Elected by residents as Sports Representative for the 2012-2013 academic year. Actively organized and coordinated events, led gym renovations and promoted athletic events. Elected **Council Member of the Year** by colleagues in the council.

**Skills**     **Computer Programming:** Java, JavaScript, C, Haskell, Actionscript, HTML/CSS, Git, LaTeX  
**Languages:** Fluent in French, English and Arabic.  
**Music:** Self-taught musician, mainly bass guitar, some guitar and drums.
